T. W. Pfeiffer Esq

I submit the following report for Tuesday the 26 day of Oct. 1926.

At 10:00 AM Grand Jury entered Grand Jury room: at 10 Min Asa "Simpson" entered Came out at 10:25 A.M, reporters flocked around him and he said they put me out, also had put out the clerk, and also they called me a liar, he certainly was greatly excited and certainly did not know what to say. he again went to Grand Jury room at 10:50 AM but door man said he could not admit him, so he asked for "Mc Clean" one of the Jurymen, Doorman went in and McClean came out but shook his head and Simpson left. Mrs. Jane Jolliffe, asked him about Statement he made, saying the Jury was biased and fixed, he denied he gave the News to reporters, the foreman Mr. W. P. Snyder said you are excluded from here and if you do not we will indict you for Contempt.

Simpson posed three times for his picture a foot Court House steps, which seemed to please him. Jack a reporter who seems to be in controll said do not change any thing Simpson says as I am tired having him make statements and then contradicting them the next day. Grand Jury has not made any time for next meeting. Simpson told reporters he could have gotten indictments from Hudson County G.J. but it is too late now, I feel confident the rope has broken and he has gone his limit.
